

ORGANIZING SKILLS TRAINING WORKSHOP
SATURDAY 8:30 - 3:00
NOVEMBER 9, 2013

ISAAC is offering a one-day intensive training workshop to learn the steps and skills in organizing for social justice work. The workshop is limited to 30 participants, at no cost, with training from Gamaliel Foundation leaders. This leadership training is being offered to prepare a limited number of motivated individuals for active roles in ISAAC.

[As a Gamaliel Foundation affiliate, ISAAC officers and task force leaders attend the week-long trainings offered by Gamaliel. We recognize that not everyone has the time or money to do this, so this year we are offering a special 1-day training to make these key concepts available to committed ISAAC volunteers.]
