**Cultivating
the
Beloved
Community**

ISAAC's Housing, Racism & Poverty Task Forces' Policy Work:

Supporting a Fair Housing Amendment & Fair Chance Law that prevents "source of income" discrimination and blanket rejection of renters' applications.

Advocating for a study to determine which state benefit programs can provide a gradual release of support when a person becomes employed.

Prioritizing a humane process to gain permanent resident status and then citizenship for long-term members of our communities--including those with DACA status.

ISAAC is working so that every Individual in our Community is held as Beloved!

Help Cultivate the Beloved Community!

We Need You!

The work of Justice is more vital than ever! We invite you to give to our work of community organizing, social justice and policy changes in the areas of racism, poverty & housing.

The Beloved Community...

As described by Dr. Martin Luther King, is free of violence & a place in which our deepest values of abundance, equity, community, hope, & most of all love are infused into our policies.
